

INDEX

This index covers Volume 11 of *Isaac Asimov's Science Fiction Magazine*, January 1987 through Mid-December 1987. Entries are arranged alphabetically by author. When there is more than one entry for an author, listings are arranged chronologically in order of appearance in the magazine. All entries are followed by a parenthetical note. These notes are (a) article; (c) cartoon; (e) editorial; (n) novelette; (na) novella; (p) poem; (r) review; (s) short story; and (serial). Collaborations are listed under all authors and are cross-referenced. When a title, a parenthetical note, or an author's name is omitted, it is the same as that of the previous entry.
